

To whom it may concern

Moss, Norway, May 2022

**Compatibility of SeaEco immersion suit and Seacrewsader 275N,  
Seacrewsader 290N 3D og Ergofit 290N SOLAS lifejackets.**

Hansen Protection AS immersion suits and lifejackets are developed and manufactured with care and safety for the wearer as the highest priority.

The compatibility between lifejackets and immersion suits is, as a basis, taken care of through the certification under SOLAS regulations.

In the compatibility test protocol for lifejackets and immersion suits on offshore installations issued by Mensafe Ltd (UK), the suitability and compatibility of these two lifesaving appliances is further addressed.

Hansen Protection AS hereby declares that our SeaEco immersion suit and the Seacrewsader 275N, Seacrewsader 290N 3D og Ergofit 290N SOLAS lifejackets pass the Core Tests defined in the above-mentioned test protocol.
